

Attention all Junior Thistle sailors:

We've got some exciting changes planned for you this season. In an attempt to provide a greater level of competition and raise the level of all of our Thistle sailors, we will be including some Senior Thistle events as counters for this year's Traveler Series. There will be four (4) Senior events and four (4) Junior events. We will allow two (2) throw outs from the Senior events and one (1) throw out from the Junior events with a total of five (5) races counted towards the overall. We also have been successful in reestablishing funding for scholarship awards from the Szambecki Fund. The overall Traveler Series first place skipper and top two crew will receive a \$100.00 scholarship certificate each.
